Introductions of members were made along with a description of the history of Invest in Willmar and the Legislative process to date. The scope and mission were explained by Mary Sawatzky, member of the Invest in Willmar Committee. The committee was told to "dream big" and exploring what other community facilities look like. Mary also indicated since this is called a "Community" center there will be some presentations to and input from the public.

Duties of the Chair and Vice Chair were described. Selected by the committee were Brian Kath-Chair and Jan Dahl-Vice Chair.

Wednesday mornings appeared to be a preferred meeting day and time for the members. **Next meeting will be April 24th at 9:30** and hopefully be limited to one hour. We will continue to meet at the Community Center.
