

Community Center SubCommittee
September 4, 2019

Present: George Christensen, Jeff Jagush, Britta Diem, Brian Kath, Julie Asmus, Helen Behrends, Mona Banks, Jan Dahl

Absent: Dan Drevlow

Meeting started with a discussion of the resolution adopted by the City Council on September 3rd to pursue the combination of the City Hall and Community Center.

Julie brought the 3 designs to show the group that the space available would be able to accommodate both facilities. The City Hall Taskforce will be touring several combo sites on September 27th.

Brian suggests we refine our “wants and must haves” needs to include a community garden.

What are the next steps? Combined meeting with City Hall Taskforce? Public meeting? Where will the current activities go during demo and rebuild? More questions than answers.

We will meet on **Tuesday, October 8th, 9:30 AM at the Community Center Sunshine Room** to discuss the findings of the City Hall Taskforce site visits.

Meeting ended at 10:25 AM.
