

Sub Committee Community Center
Willmar Community Center-Sunshine Room
October 8, 2019

Present: Brian Kath, Britta Diem, Mona Banks, Dan Drevlow, Jeff Jagush,
Julie Asmus, Jan Dahl

Absent: George Christensen, Helen Behrends

Julie discussed the tours of other City Halls by the Council City Hall Task Force. Britta had pictures of the sites that were visited. They discussed the size, how many entrances and some of the basic information. The question came up regarding the current size of the CC which is 12,000 square feet. The Committee agreed that space should be larger.

Julie read letter about the thoughts of combining the new Community Center, City Hall and Curling Center. The option was not favored by the Committee and no further consideration was given to this proposal.

What are our next steps? We are proposing the Chairs of each committee meet with the Invest in Willmar Group to clarify:

- 1) each groups wants and needs to determine our direction
- 2) any possible overlaps (ex.public meeting rooms and commercial kitchens).
- 3) to move ahead a Project Manager and Architectural Firm should be hired.

A meeting of the Invest in Willmar group and the Chairs of each sub committees is scheduled for October 9th at 4:00PM. Brian Kath will attend and until we have further direction no other meetings have been scheduled.

Our next meeting will be scheduled at a later date.

Meeting adjourned at 10:30
