

Community Center Subcommittee
April 24, 2019 (Wednesday)
Community Center (Sunshine Room)

Present: Jeff Jagush, Mona Banks, Helen Behrends, Brian Kath, Dan Drevlow, Britta Diem, Jan Dahl

Absent: George Christensen

Guest/Observer: Marvin Tensler

Brian opened the meeting at 9:40 with review of the Agenda.

Current Building Update, present by Julie (background of the FC and RI) study done 6 years ago). She explained the ratio cost of replacement vs repair. The cost of repair is not fiscally fisible or favored by the City Council.

Jeff reported on the current need of repairs are: Ceiling in the kitchen, roof, settling cracks, windows and doors need replacement, there is need for more storage and bathrooms were just a few listed.

Future Community Center Sites top replacement needs are City Hall, Auditorium and the Community Center (1). Historically sites mentioned were the Civic Center area and Robbins Island
