Dorothy Olson Aquatic Center Rules

1601 22nd Street SW Willmar MN 56201 | 320-441-2018

- Managers reserve the right to close the pool early for threatening weather, emergencies, cleaning, low attendance, or for unforeseen circumstances beyond our control.
- Managers/head lifeguards reserve the right to refuse admittance or to eject any person from the pool premises failing to comply with health and safety guidelines.
- All persons in the swimming pool must have on proper swim attire, no street clothes are allowed. Diapers are not permitted in the pool, please use swim diapers that fit snugly on legs and waist.
- Children 12 years of age and younger must be supervised at all times by a responsible person, 16 years of age or older.
- You are welcome to bring a Coast Guard approved flotation device or rent one from our concession stand. Inflatable flotation devices are not allowed. Food or drink may not be brought into the facility.
- A concession stand is available for your convenience. Do not leave belongings at concession tables. Concession tables are for eating and drinking.
- No running, pushing, or horseplay is allowed. A person is not to be thrown or pushed into or under the water.
- Our managers may close the facility if the air temperature is 68 degrees or cooler. On days when the weather is not conducive to swimming, managers have also been given the discretion to close the pool early if attendance is poor. As a rule of thumb, if attendance drops below 20 guests we will announce that the pool will be closing in 30 minutes if additional attendance is not forthcoming. These attendance figures do not automatically cause the pool to close in 30 minutes but rather gives the managers an opportunity to do so based on various factors: including weather, time of day, etc.
- When thunder and/or lightening are first noticed the pool will be evacuated until thirty minutes after the last thunder is heard. If thunder or lightening occurs again within the thirty-minute period, another thirty-minute time limit goes into effect. The facility will close at the discretion of the manager with no refunds due to the patrons.
