ORDINANCE NO. 815

AN ORDINANCE AMENDING MUNICIPAL CODE SECTION 435 (THE UNIFORM FIRE CODE) BY ADDING A PROVISION CONCERNING ABANDONED UNDERGROUND FUEL TANKS.

Section I. REMOVAL OF UNDERGROUND FUEL TANKS. Except as herein provided, all underground fuel storage tanks which have been out of service for one (1) year or more shall be removed under the direction of the Willmar Fire Marshal.

Section II. FILLING OF UNDERGROUND FUEL TANKS. Any fuel tank that has been out of service for more than one (1) year but which is not lying entirely underneath a building shall, in lieu of being removed, be filled with a material approved by the Willmar Fire Marshal.

Section III. FAILURE TO REMOVE OR FILL UPON NOTICE BY THE CITY FIRE MARSHAL. When any person fails to comply with Section I or Section II of this Ordinance, within forty-five (45) days after having received written notice to do so from the Fire Marshal, the City Department of Public Works shall proceed to remove or fill the tank, as the case may be, and the cost incurred by so removing or filling the tank shall be certified to the Kandiyohi County Auditor as a special assessment and shall be collectable with the following year's real estate taxes on the subject real estate.

Section IV. PERMIT TO REMOVE OR FILL TANK. No person shall remove or fill an underground fuel tank without first receiving a written permit from the Fire Marshal and after receiving the permit, shall not undertake the filling or removal except in the presence of the Fire Marshal.

Section V. PREVIOUSLY FILLED TANKS. Any underground fuel tanks that have been filled with sand prior to the effective date of this Ordinance shall not be required to be removed under the terms of this Ordinance.

Section VI. EFFECTIVE DATE. This Ordinance shall be effective upon its adoption and second publication.
