- 3.2 BARGAINING GROUP REPRESENTATIVES: The Employer will recognize representatives designated by the Bargaining Group (hereinafter referred to as "Group") as the grievance representatives of the Group having the duties and responsibilities established by this Article.

The Group shall notify the Employer in writing of the names of such representatives and of their successors when so designated.

3.3 PROCESSING OF A GRIEVANCE: It is recognized and accepted by the Group and the Employer that the processing of grievances as hereinafter provided is limited by the job duties and responsibilities of the Employees and shall therefore be accomplished during normal working hours only when consistent with such Employee duties and responsibilities. The aggrieved Employee and representative shall be allowed a reasonable amount of time without loss in pay when a grievance is investigated and presented to the Employer during normal working hours provided the Employee and the representative have notified and received the approval of the designated supervisor who has determined that such absence is reasonable and would not be detrimental to the work programs of the Employer.

3.4 PROCEDURE. Grievances, as defined by Section 3.1, shall be resolved in conformance with the following procedure:

Step 1 No grievance shall be entertained or processed unless it is submitted within ten (10) working days after the first occurrence of the event giving rise to the grievance, or within ten (10) working days after the employee through the use of reasonable diligence should have obtained knowledge of the first occurrence of the event giving rise to the grievance. The written grievance signed by both the employee and representative shall set forth the nature of the grievance, the facts on which it is based, the alleged violation, and the relief requested. The Department Head shall discuss the grievance within five (5) working days with the employee and representative at a time mutually agreeable to the parties. If the grievance is settled as a result of such meeting, the settlement shall be reduced to writing and signed by the Department Head, the employee and representative. If no settlement is reached, the Department Head shall give the Employer's written answer to the employee and representative within five (5) working days following their meeting and shall also forward a copy to the Labor Relations Committee and City Administrator.

Step 2 If the grievance is not settled in Step 1 and the employee desires to appeal, it shall be referred by the employee in writing to the City Administrator within ten (10) working days after the designated Department Head's answer in Step 1 is due. A meeting or

discussion between the City Administrator and the employee and representative shall be held within ten (10) working days at a time mutually agreeable to the parties. If the grievance is settled as a result of such meeting, the settlement shall be reduced in writing and signed by the City Administrator, the employee and representative. If no settlement is reached, the City Administrator shall give the Employer's written answer to the employee within five (5) working days following the meeting.

Step 3 If the grievance is not settled in Step 2 and the employee desires to appeal, it shall be referred by the employee in writing to the Labor Relations Committee within ten (10) working days after the City Administrator's answer in Step 2. A meeting or discussion between the Labor Relations Committee and the employee and representative shall be held within ten (10) working days at a time mutually agreeable to the parties. If the grievance is settled as a result of such meeting, the settlement shall be reduced in writing and signed by the Chairman of the Labor Relations Committee, the employee and representative. If no settlement is reached, the Labor Relations Committee shall give the Employer's written answer to the employee within five (5) working days following the meeting.

Step 4 If the grievance is not settled in Step 3 and the employee desires to appeal, it shall be submitted to arbitration subject to the provisions of the Public Employment Labor Relations Act of 1971. The Employer and the employee shall endeavor to select a mutually-acceptable arbitrator to hear and decide the grievance. If they are unable to agree on an arbitrator, the employee shall request from the Director of the Bureau of Mediation Services, the State of Minnesota, a list of five (5) names within ten (10) working days following receipt of the Employer's answer in Step 3. The parties shall alternately strike names from a list of five (5) arbitrators until only one (1) name remains. The remaining arbitrator shall hear and decide the grievance. If the parties are unable to agree on who shall strike the first name, the question shall be decided by a flip of the coin. Each party shall be responsible for equally compensating the arbitrator for his/her fee and necessary expenses.

3.4.1 In the event that a grievance is filed by a Department Head or an employee that reports directly to the City Administrator, the first step in the grievance procedure will be with the City Administrator.

- 3.5 If a grievance is not presented within the time limits set forth above, it shall be considered waived. If a grievance is not appealed to the next step within the specific time limit or any agreed upon extension thereof, it shall be considered settled on the basis of the Employer's last answer. If the Employer does not answer a grievance or an appeal thereof within the specific time limits, the employee may elect to treat the grievance as denied at that step and immediately appeal the grievance to the next step. The time limit in each step, except the time limit for filing the grievance, may be extended by mutual written agreement of the Employer and employee in each step, which extension shall not be unduly withheld by either party. The term "working days" shall mean the days Monday through Friday, excluding holidays.
- 3.6 The arbitrator shall have no right to amend, modify, nullify, ignore, add to, or subtract from the terms and conditions of this Contract. The arbitrator shall consider and decide only the specific issue(s) submitted in writing by the Employer and the employee, and shall have no authority to make a decision on any other issue not so submitted.
- The arbitrator shall be without power to make decisions contrary to or inconsistent with or modifying or varying in any way the application of laws, rules and regulations having the force and effect of law. The arbitrator's decision shall be submitted in writing within thirty (30) calendar days following the close of the hearing or the submission of briefs by the parties, whichever is later, unless the parties agree to an extension. The decision shall be binding on both parties and shall be based solely on the arbitrator's interpretation or application of the express terms of this Contract and to the facts of the grievance presented.
- The fees and expenses for the arbitrator's services and proceedings shall be borne equally by both parties provided that each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such record to be made, providing it pays for the record. If both parties desire a verbatim record of the proceedings, the cost shall be shared equally.
- 3.7 CHOICE OF REMEDY If, as a result of the written Employer's response in Step 3, the grievance remains unresolved, and if the grievance involved the suspension, demotion or discharge of an employee who has completed the required probationary period, the grievance may be

appealed either to Step 4 of Article III or a procedure such as Civil Service, Veteran's Preference or Fair Employment. If appealed to any procedure other than Step 4 of Article III, the employee shall indicate in writing which procedure is to be utilized and shall sign a statement to the effect that the choice of any other hearing precludes the aggrieved employee from making a subsequent appeal through Step 4 of Article III.
